The feeding at the Khattuams at Bisle & Yaklespur. On further representation, an addl advance of Rs.15-0 was sanctioned for the purpose in Govt order No.1691-92/Muz.213-22-10 d. 9.11.22 and a bill of actual expenditure was called for in adjn of this sanctioned advance Rs.395-0. Accordingly the D.C. Hassan has sent 3 bills amounting in all to Rs.4004-3-6 out of which a sum of Rs.3524-12-0 was incurred for the Vantanpane at Gulvadimanya, Rs.448-11-10 at Bisle and Rs.30-11-8 at Yaklespur. A sum of Rs.378-7-1 realised by the sale of the articles left after the Vantanpane was over leaves to be accounted for and this amount is included in the bills now sent for sanction. The over-all excess expenditure incurred over the sanctioned advance of Rs.395-0 thus amounts finally to Rs.54-3-6, but as the Amildar states in his Accounts that the savings come up to Rs.324-3-7, the amount actually spent on the occasion should have been Rs.4004-3-6 minus Rs.324-3-7 or Rs.3679-15-11 which is within the limit of the sanctioned amount. The D.C. has been instructed to countersign the bills.

A sum of Rs 3950 has been sanctioned as an advance for the Madras Municipal expenditure for Rs 4004-3-6 incurred resulting in an excess expenditure of Rs 54-3-6. This sum is met from the Sub-proceedings Rs 3950-7-1, out of which a sum of Rs 3871-3-7 has been saved by the substitution.

3 The three bills aforesaid Rs 4004-3-6 may be sanctioned in full discharge of the advance. The Municipal Commissioners recommend that the good services of Mr Narasimha Aiyangar, Municipal Engineer, Mr Venkataramanayya and Municipal Councillors may be appreciated. This may perhaps be done in view to the hazardous arrangement for their efficient help in the Madras Municipal Conference for the Bills.

With reference to para 2 of Government Proceedings No. 1691-92/M.F.213-22-10 dated 9th November 1922, calling for a bill of actual expenditure incurred for Paruhazar Santarpane of 1922, I have the honor to submit herewith copy of letter O.C.No.415-22 dated 26th May 1923 together with its enclosure received from the Deputy Commissioner, Hassan District.

2. The Amildar's English report enclosed in the vernacular file gives a full account of this year's santarpane arrangements at the three centres, viz., Subrahmanya, Bisle and Sakalespur Against a sanctioned advance of Rs.3,950/-, though an expenditure of Rs.*4,004-3-6 was incurred, yet the

Rs.378-7-1 included in the bill was covered by the sale proceeds of the provisions left after the santarpane.

In these circumstances, I recommend that the three bills aggregating Rs.4,004-3-6 may be sanctioned and forwarded to the Comptroller for adjustment of the advances already drawn.

3. The Deputy Commissioner reports that the presence of the Collector of South Canara had a salutary effect on the manager,

that the Amildar Mr. Tammaji Rao worked satisfactorily and that the services of the non-official gentlemen Messrs. Manali Venkataramaiya & Mala Malige Thimmappaiya in helping in the supervision deserve commendation.

4. The further report promised in para 4 of the Deputy Commissioner's letter will be obtained and sent up separately.

I have the honor to be,

Sir,

Your most obedient servant,

Letter No.C.415-22 C.C. dated 26th May 1923, from the Deputy Commissioner, Hassan District, to the Muzrai Commissioner in Mysore:-

---

"Adverting to Government Order No.1658-60/Muz.213-22-2 dated the 1st November 1922 sanctioning an advance of Rs.2,450/-for the Parahazar Santarpane at Subrahmanya during the year 1922 and subsequent order No.1691-2/Muz.213-22-10 dated the 9th November 1922 sanctioning an additional advance of Rs.1,500/- making in all Rs.3,950/- and with reference to your letter No.C.417 dated the 10th November 1922 calling for a bill of expenditure in connection with the above, I have the honor to forward herewith three bills aggregating to Rs.4004-3-6 received from the Amildar for favour of sanction. Though the amount now billed for exceeds the sanctioned allotment by Rs.54-3-6, yet the actual amount spent for the occasion was only Rs.3625-13-5, the balance of Rs.378-7-1 included in the bill being covered by the sale proceeds of what was left of the articles of food stuffs purchased.

2. As usual, the santarpane commenced on 16th November 1922 and continued till 4th December 1922. The total number of persons fed was 13,652 out of which 11,081 represent the number fed at Subramanya. Two non-official gentlemen, Messrs. Alali Venkatramaiya and Kalasulige Thimmappaiya associated themselves with the Local authorities in the supervision of the santarpane and their honorary and valuable services deserve commendation. The daily rations issued to the temple and Mutt authorities were in strict conformity with the number of devotees that had congregated to the place and wastage of food stuffs was checked to all with the greatest vigilence.

3. As per orders of Government, I proceeded to Subrahmanya on the 22rd November 1922 and stayed there during the four important days of the occasion. The Collector of South Canara, Mr. S.A.V. Iyer also was also present at Subramanya on the important days. The action taken by the Mysore Government for the proper and better management of the Mysore Charities and the presence of the Collector of South Canara on the occasion, whose sanction has been applied for by A. Srinivasa Bhatta and others for launching a scheme such for the

the proper and better management of the Institution, had a salu effect on the Manager Mr. Balgodi Anantharama Sarma and the - santarpane this year went off smoothly and successfully.

4. Mr. Thammaji Rao, the Amildar of Oaklespur, took great pains in making the necessary preliminary arrangements for the conduct of the santarpane, and he exhibited much tact and foresight in anticipating the difficulties that might arise and in being prepared to meet them. There appears to be some scope for improvement in regard to the method in which the supplies are now obtained. I have asked him to submit a report as to how a saving may be effected in the cost of the articles supplied without impairing their quality, and as soon as it is received, I will make separate communication in the matter".
